

hotel FAQs

What is Hotels For Hope?

Hotels for Hope is a social enterprise focused on providing clients access to hotel site selection, contract negotiation and integrated technology that reduces time and costs across multiple verticals. Each of H4H's contracted hotels is asked to include a \$1 charitable contribution, which Hotels for Hope then matches dollar-for-dollar. In short, each room night generates \$2 for **The Hotels for Hope Fund**. For a list of charities through which this fund benefits children's lives, please visit www.HotelsForHope.org.

How does my hotel partner with Hotels for Hope?

By accepting our groups, your hotel acknowledges our desire to become a global difference maker; every materialized room night carries a commission and \$1 charitable contribution.

How do clients select charities?

Once a client has chosen a hotel property, either the planner, decision-maker, or organizer will pick the charity they would like to partner with. All donations from the group's hotel booking will go directly to that charity.

What is the culture behind this model?

Hotels for Hope was established on a core ideal that it would serve more than just its clients. Our staff is comprised of industry experts that also have a genuine interest in philanthropic endeavors. Our mission is tangible and through relationships with hotels, clients, and partners, we are able to impact the lives of children across the world.

How does the hotel contribution process work?

The week after a group departs from your hotel, our staff contacts your property to gather total room nights, revenue and feedback on the stay. This information allows us to build a long-term relationship with our clients and invoice your hotel properly. Our invoices include a line item for commissions and one for charitable contributions. **There are 2 payment options:**

- **Option 1: Tax Deductible Payment (hotel writes two checks)**

Hotels electing to receive a tax deduction are asked to send a check to "Hotels for Hope" for commissions, and **The Hotels for Hope Fund** for charitable contributions. A receipt for the tax deductible portion of payment will be sent to the address on file.

- **Option 2: Non-Tax Deductible Payment (hotel writes one check)**

If your hotel prefers to write one check, Hotels for Hope will make the contribution on your hotel's behalf.

Each invoice includes instructions and proper W9 form(s).
